# Introduction

*Adults Returning to School* is geared to adults who are thinking about getting more education. It is updated each year with the help of college officials, financial aid program administrators, state officials and others.

**Part I** will help you decide if more education is best for you. It includes information about getting admitted to the school of your choice.

**Part II** will give you information about financial aid programs and how to apply for them. You'll also find tips on borrowing money wisely to pay for school.

**Part III** will give you information about Kentucky colleges, from trade schools to seminaries: costs, admissions requirements, financial aid and academic programs.

Higher education is a major investment of time, effort and money. *Adults Returning to School* will provide the information you need to invest wisely.

*Adults Returning to School* was developed by the Kentucky Higher Education Assistance Authority (KHEAA). KHEAA administers state financial aid programs to help students pay for college. If you have comments or suggestions, you can:
