

KHEAA ILP Instructions

Follow these simple steps to access your ILP.

1. Sign In to your existing Zip Access account or Register to create a new account.
2. Click the Individual Learning Plan (ILP) link.
3. Fill in the school type, resident info, current school (leave blank if home school), grade level, and email address. Select the “My Individual Learning Plan” link in the center of the page to continue.
4. In the new window, create a user name and password for the KHEAA ILP. We recommend that you use the same user name and password as your KHEAA account. This will take you the Career Cruising website.
5. Read and agree to the terms and conditions.
6. Explore and use the ILP by visiting the different functions shown in the menu on the left side of the page.
