College Info Road Show available for summer programs

KHEAA’s College Info Road Show is a fun and educational activity for middle school and high school summer programs.

The mobile classroom has eleven computer stations and Internet access to provide information and help guests:

- Research colleges and careers.
- Search for scholarships and learn about financial aid resources.
- Complete admissions and financial aid applications.

This service from KHEAA can be used for:

- Having a KHEAA outreach counselor teach students how to use www.kheaa.com. High school students can set up or log in to their MyKHEAA accounts to check their KEES balances and use other personalized tools.
- Helping high school seniors or adults returning to school complete college admission applications or the FAFSA.
- Serving as an eye-catching exhibit at back-to-school festivals, college fairs or community events and other large forums.

The Road Show is ideal for programs at schools, libraries, summer camps, church groups, professional and civic organizations, fairs and businesses. The best part is that it will come to you.

For more information or to schedule a visit, contact Kevin Wilson at kwilson@kheaa.com or (502) 753-9938. Events are scheduled on a first-come, first-served basis.
Kentucky rising junior may win scholarship, photo shoot for school

A rising junior at one of Kentucky’s public or private high schools will win a $500 scholarship and a photo shoot at his or her school through the “Promote Your School” scholarship contest, sponsored by KHEAA.

The school must participate in the Kentucky Educational Excellence Scholarship (KEES) program for the student to be eligible.

To enter, the student must submit an essay no more than 200 words long without mentioning the student’s name, school, county or community. The essay topic must be shown at the top of the page. The student’s name, address and high school must be listed at the bottom of the essay. The student must be a junior during the 2019–20 school year. For more information, visit www.kheaa.com/website/contest/intro.

Photos from the winning school will be used in KHEAA publications and on KHEAA websites. The winner will be chosen by a committee of KHEAA employees.

To enter, mail the essay to KHEAA Publications, P.O. Box 798, Frankfort, KY 40602. Students may also email their essay to publications@kheaa.com or fax it to (502) 696-7574. KHEAA cannot accept essays via file-sharing sites such as Google Docs.

The deadline for submissions is May 31.

Students from high schools that have been featured in the past five years — Paducah St. Mary, Logan County, Daviess County, Lexington STEAM Academy, and Somerset Christian — are not eligible to enter this year’s contest.

Revised Kentucky academic standards adopted for 2019–2020 school year

Revised standards for health education, physical education, reading and writing, and mathematics have been adopted into law.

The process included revisions by Kentucky educators and community members, public input and review by the Kentucky Board of Education before undergoing final legislative review and adoption. New computer science standards also were developed and adopted into law.

The newly adopted standards will be implemented in Kentucky classrooms beginning in the 2019–2020 school year and can be accessed on the Content Area Standards webpage.

Please contact the Standards Team with any questions regarding the newly adopted standards or the standards revision process.
