Dear Dr. Rollins:

It was a pleasure talking with you recently about your willingness to accept the Honorary Doctor of Public Service at Morehead State University's Winter Commencement on Saturday, December 12, 2015, at 10:30 a.m. in the Academic-Athletic Center (AAC). Our Board of Regents members were very enthusiastic about my recommendation of you to receive an honorary degree, which is the highest award bestowed by the University.

In preparation for the awarding of the degree, we will need your height and coat size for the academic regalia. Also, please send us a list of your family members and friends whom you would like for us to invite to witness the presentation of the honorary degree. It would be helpful to have their names and addresses by Monday, November 30. These individuals also will be invited to attend a reception/luncheon that will be held in your honor immediately following the program in the AAC.

On Friday night, December 11, Sue and I would like to host a more intimate reception/dinner in your honor at 6:30 p.m. in the Heritage Room of the Adron Doran University Center. If this fits your schedule, please let us know the individuals whom you would like for us to invite to the Friday night dinner as well. This room accommodates approximately 30 people comfortably. In addition, Jim Shaw will be in contact with you about the possibility of scheduling a campus tour during your visit.

We have reserved two guestrooms at the Hampton Inn in Morehead for your use on Friday, December 11.

Again, I am genuinely pleased that the Board of Regents has approved my recommendation and that you can be present to accept the honorary degree on December 12. We will be back in touch with you later to provide additional details about the program.

Most sincerely,

Wayne D. Andrews
President
