Kentucky’s four-year public universities have many sources of financial aid. KHEAA contacts these universities every year so we can publish the most up-to-date information about their programs, which are described in this section.

In addition to the programs listed under each university, all of Kentucky’s public universities participate in the following state and federal student aid programs:

**State:** College Access Program Grant, Kentucky National Guard programs, Vocational Rehabilitation, Kentucky Educational Excellence Scholarship, Public Child Welfare Certificate Program Scholarship, and state waivers. Detailed information about these programs can be found in the State Government section.

**Federal:** Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, Federal Direct Loan, Federal PLUS Loan, Teacher Education Assistance for College and Higher Education (TEACH) Grant, Veterans Administration programs and Federal Work-Study. Detailed information about these programs can be found in the Federal Government section.
