

General information

This section provides information about costs, admissions, financial aid and majors at Kentucky colleges. Some schools that don't have on-campus housing have provided the housing cost they use in figuring the cost of attendance.

Information in this chapter will almost certainly change before you enroll. For up-to-date information, contact the school you plan to attend.

The agencies below license technical schools in Kentucky and can be contacted for more information about the programs listed in this section and others not included in *Adults Returning to School*.

MAT:	Miller Analogies Test
PLA:	Prior Learning Assessment
TABE:	Test of Adult Basic Education
TOEFL:	Test of English as a Foreign Language

Each school included in *Adults Returning to School* must participate in a Title IV program. The information in the following pages was provided by the schools. Some Kentucky schools that provide financial aid may not meet KHEAA's guidelines for inclusion in *Adults Returning to School* or may not have responded to KHEAA's request for information about their school. Students attending these schools should check with the school's financial aid office for information about their financial aid programs.
