# Introduction

*Adults Returning to School* is geared to adults who are thinking about getting more education. It is updated each year with the help of college officials, financial aid program administrators, state officials and others.

Part I will help you decide if more education is best for you. It includes information about getting admitted to the school of your choice.

Part II will give you information about financial aid programs and how to apply for them. You'll also find tips on borrowing money wisely to pay for school.

Part III will give you information about Kentucky colleges, from trade schools to seminaries: costs, admissions requirements, financial aid and academic programs.

Higher education is a major investment of time, effort and money. *Adults Returning to School* will provide the information you need to invest wisely.

*Adults Returning to School* was developed by the Kentucky Higher Education Assistance Authority (KHEAA). KHEAA administers state financial aid programs to help students pay for college. If you have comments or suggestions, you can:
