Financial Aid Tip of the Month, May 2018

Follow these tips to find student financial aid

If you're thinking about college or technical school, these tips from the Kentucky Higher Education Assistance Authority (KHEAA) may help you get more money to pay for your education

- If you haven't already filed the Free Application for Federal Student Aid (FAFSA), submit it now.
- Visit www.kheaa.com and click on Paying for College.
- Look for local scholarships provided by community organizations and businesses .
- Talk with a financial aid officer at the school you plan to attend to learn about any aid the school has available.
- Take out student loans only after you have received all the free aid — grants, scholarships and work-study — for which you qualify. If you need loans, only borrow as much as you really need.
- Apply, apply, apply. The more financial aid for which you apply, the better your chances of getting enough aid to pay for college. Make sure you meet all deadlines.

KHEAA is the state agency that administers Kentucky's student financial aid programs, including the Kentucky Educational Excellence Scholarship (KEES). Its sister agency, the Kentucky Higher Education Student Loan Corporation (KHESLC), offers Advantage Loans to help students and parents pay for college or to refinance student loans. For more information about Advantage Loans, visit www.AdvantageEducationLoan.com.
