**Parts of state's college planning guide now available in audio**

**FRANKFORT, Ky. (July 10, 2019)** — Parts of two chapters of the newest edition of “Getting In,” the state’s college planning guide, are now available in audio on the website of the Kentucky Higher Education Assistance Authority (KHEAA).

The audio versions include Chapter One and the first part of Chapter Two. Chapter One is a guide to college admissions, while the first part of Chapter Two helps students and parents navigate the financial aid process.

People who access the audio version can listen to the complete chapter-long recordings or to separate sections that deal with specific topics, such as planning for college or finding financial aid.

From the Students section, click on the Other Resources button, then Publications, then College Planning. From the Families section, click on Publications, then College Planning.

KHEAA is the state agency that administers the Kentucky Educational Excellence Scholarship (KEES), need-based grants and other programs to help students pay their higher education expenses.

In addition, KHEAA disburses private Advantage Education Loans for its sister agency, the Kentucky Higher Education Student Loan Corporation (KHESLC). For more information about Advantage Education Loans, visit [www.advantageeducationloan.com](http://www.advantageeducationloan.com).
